2. Green Cover

Apart from primary cleanliness and sanitation efforts, the institute is also committed to promoting sustainable habits by promoting cloth bags with other efforts to maintain a plastic free environment. The objective was to encourage self-reliance through sustainable practices. In a quest for a healthy and sustainable campus, spaces with plantations have a vital role. To add to the green cover of the Institute some indoor plants have been installed to improve air quality.

3. Protection of Trees over infrastructure

Protecting trees over infrastructure involves a combination of planning, design, and maintenance strategies to ensure the coexistence of trees and built structures. During the construction of the Cultural Programme Hall, the design of the stage was made such that the trees were unharmed.
