

**CRITERIA 7.1.2**

**SOURCES OF ENERGY AND ENERGY  
CONSERVATION**

For Shri L P Raval College of Mass Media  
& Management Studies

Principal

***The Institution has facilities for alternate sources of energy and energy conservation measures***

The Institution's policy and initiative for Energy Conservation, policy and initiative for use of alternative sources of energy –

**A. Awareness** – Non- conventional energy and its importance should be underlined to the society. It can be achieved by awareness programme. Teachers are best person who reaches to major part of society. The College took initiatives to create practical awareness Energy conservation, energy alternative sources in Business.. As a part of energy conservation activity the college organised a webinar on “**Environmental Sustainability in Business**” on 13th January,2022 from 10:am-11:00am. Motivation of one student –teacher awareness for energy conservation means motivation of hundred – thousand of students – family and society.

**B. Initiative for Energy Conservation –**

- To assess energy uses of establishments like – House, Schools, Colieges, Industries, etc.
- To measure the impact of energy uses of establishments on the environment.
- To count CO<sub>2</sub> emission generated by the establishment.
- To communicate, discuss and guidance from and with the governmental agencies, municipal corporation and affiliating university.
- To actively work with the local organization in the case of /area of environment, energy efficiency and sustainable development.
- The college always monitors and responds to serious emerging environment and energy crisis issues.
- Train employees and students through Youtube Expert lectures, online lectures to make them aware about saving energy, importance of energy, alternative major solutions for saving electrical energy especially in Institute as well as at household.

For Shri L. P Raval College of Mass Media  
& Management Studies  
Principal

### C. Institution initiative for use of alternative sources of energy-

- Institution held a Webinar on “Environmental Sustainability in Business”
- Alternate sources of energy means Non -Conventional Energy sources.
- The college plans to use solar energy devices in the Institute.
- The college focuses on alternative energy sources, such as – Wind energy, Geothermal energy, Hydropower energy, Tidal-Ocean energy, Bioenergy, Nuclear energy and Solar energy. These are best initiatives for students, teachers and every employer.

## 2. Green Cover

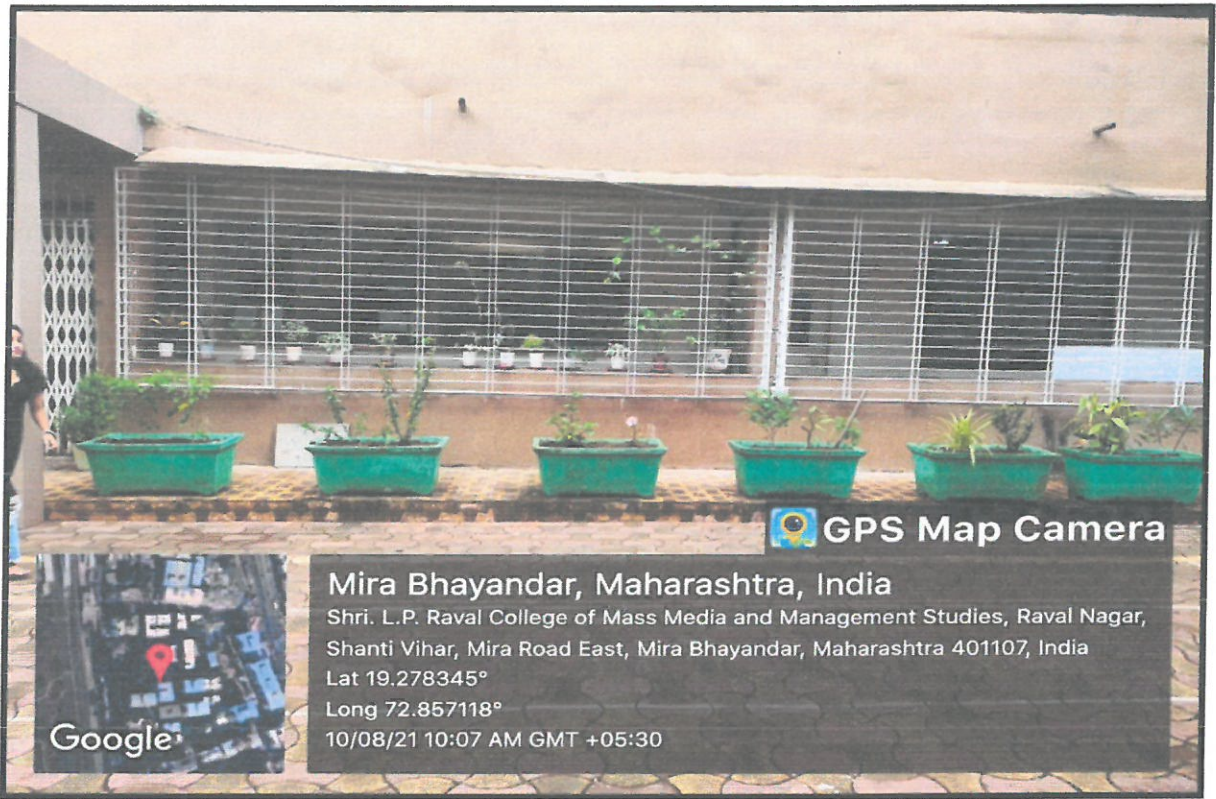

*Apart from primary cleanliness and sanitation efforts, the institute is also committed to promoting sustainable habits by promoting cloth bags with other efforts to maintain a plastic free environment. The objective was to encourage self-reliance through sustainable practices. In a quest for a healthy and sustainable campus, spaces with plantations have a vital role. To add to the green cover of the Institute some indoor plants have been installed to improve air quality.*

### 3. Protection of Trees over infrastructure

*Protecting trees over infrastructure involves a combination of planning, design, and maintenance strategies to ensure the coexistence of trees and built structures. During the construction of the Cultural Programme Hall, the design of the stage was made such that the trees were unharmed.*
